**Subject:** [External] Extension

Hello PSC Officer,

I currently need an extension to comply with my request for a Class C Bus Charter Certificate. My info is listed below:

Order No. 2020-68

Dao Travels dba Charleston Black Cab Company.

I would like an extension to complete safety audit since my Safety Auditor, Bill Parks, was out of town in Dec 2020 and was not able to do my safety audit.

I would like the extension date to comply to be moved to Feb. 27th, 2021.

Thanks
